Anything you would prefer not to receive/have plenty of?

What can your classroom parents do to help you the most? This year, I would love for parents to communicate openly about their expectations for me as well as ways we can work together to help their child succeed!

One thing you would love for your parents to know this year? I am very excited to be your child's 1st-grade teacher and watch them grow throughout the school year! I am dedicated to each child's success and growth.
