If you were given a gift card for the amount below, where would you want it to be from? Any (\$5), Restaurants (\$20), Amazon (\$50)

Do you have any dietary restrictions? If yes, please list below. Trying to do low carb at the moment

Your top classroom supply wishes: I am good for now and will let you know if I ever run low on anything.

Anything you would prefer not to receive/have plenty of? I do not go to Starbucks and I still have plenty of chocolate bars, however, I can never have enough Coke Zeros.

What can your classroom parents do to help you the most? Please communicate issues with me first. I will always do my best to solve problems that may arise.

One thing you would love for your parents to know this year? I always know that I am your child's number one advocate and that we both want to see the same thing. We want them to be as successful as they can be. That is why I come to work every day. We are all working for the same goal.
