What can your classroom parents do to help you the most? I am new to classroom parents, I would love ideas on how they can help.

One thing you would love for your parents to know this year? I am eager to see the growth and creativity your children will bring to our classroom. Collaboration is key, and I look forward to working closely with you to support your child's educational journey. I believe that open communication will help us create a positive and enriching environment for our students.
